

# Folk Federation of South Australia Inc.

*Supporting Folk Arts in South Australia*

**We hope you can take some time out of your day to read these updates.  
Maybe you're able to help or know someone who can??**

## **Do you have treasury/accounting skills?**

Our board is looking for a skilled Treasurer to join the board. We usually meet the last Thursday of every month at 6.30pm at the Folk Centre. Day to day finances are coordinated by a part time finance officer, and the skills of a qualified accountant (or well experienced treasurer) would be greatly received.

## **Volunteers**

We are on the lookout for skilled volunteers for duties like door take at events, bar coordination, cleaning/maintenance, event evaluation & admin duties. Volunteer benefits with the Folk Federation can be great, including free tickets to shows, beverages and more!

## **Infolkus by Email**

We are happy to now provide our monthly magazine "Infolkus" by email. If you are a current member and would like to support our pockets and the environment, please send us an email with "Infolkus by Email" in the subject line. Alternatively, [click here](#) to apply, or reapply for membership.

## **Folk & Arts Register**

The Folk Centre is currently undergoing some great changes. We are currently correlating information on the various artists, Folk clubs, sessions & Festivals around Adelaide & elsewhere in South Australia. We want to provide people access to this information via 'InFolkus' & the FFSA web-site, using the Folk Federation as a resource. If you have information about gigs/sessions/events/festivals that you think we should promote, please let us know.

## **Can you help with donations??**

We are currently looking for donations of hardy plants to upgrade our garden. We are also in need of a new oven and stovetop for our kitchen so that our regular community group 'Women with Acquired Brain Injury' can host cooking and craft days.

We would love to hear from you regarding how you think the Folk Centre can become a better venue for YOU.

Please contact the coordinator for more information on any of the above. Thanks for your support!

Kind Regards,

Tamarra, Coordinator, Folk Centre of SA
