

# SOUNDWAVES

**SoundWaves** is a new music project designed to create opportunities for people with disabilities.

**Events** feature an integrated line-up of disability & mainstream performances & are a great opportunity to enjoy free live music, participate, & find out more about the project.

They are held **11am-2pm** on the **last Thursday of each month.**

**SA Folk Centre**, corner of South Road & George Street, Thebarton.

Plenty of free, disability access parking.

Low cost food & bar facilities.

All welcome.

Additionally, **2 workshops** a month provide opportunities for **people with disabilities** to develop skills in music performance, MC-ing, DJ-ing, production, event staging & promotion, by working with some of Adelaide's top performers and musicians.

**All workshops & events are FREE.**

To book a workshop place, or find out more, contact Project Director **Tony Doyle** on **8212 0390**.
